

FY21 OBJECTIVES:

- OBJECTIVE 1: Evaluate the tele psychiatry pilot to seek opportunities for further development. – Goal 1
- OBJECTIVE 2: Explore opportunities for increasing psychiatric service capacity through collaborations. – Goal 1
- OBJECTIVE 3: Promote awareness of Spanish-speaking services through intentional outreach efforts especially presentations to community groups. – Goal 2
- OBJECTIVE 4: Continue to make more residents and organizations cognizant of INC's role in the county through presentations, social media, informational events, etc. – Goal 3
- OBJECTIVE 5: Explore increasing INC's available funds by looking at alternative uses for current INC-owned buildings and vacant land, in collaboration with current and prospective users, and other opportunities. – Goal 4
- OBJECTIVE 6: Convene annual roundtable meetings to discuss augmenting system capacity in the current/changing environment and continue to encourage collaboration. – Goal 5
- OBJECTIVE 7: INC staff and board members should regularly inform legislators representing our service area through meetings and presentations. – Goal 6
