

FY22 OBJECTIVES:

- OBJECTIVE 1: Continue promotion of psychiatric services available to partner agencies via collaborations. – Goal 1
- OBJECTIVE 2: Strengthen relationships with organizations serving the Latinx community ensuring awareness of mental health, developmental disabilities and substance use disorder services and resources. – Goal 2
- OBJECTIVE 3: Research and implement viable awareness plans suitable for 708 boards to promote the mission and contributions of the INC Board. – Goal 3
- OBJECTIVE 4: Work with current and prospective users of current INC-owned buildings to consider other uses and increase available funds. – Goal 4
- OBJECTIVE 5: Continue open conversations via annual roundtable meetings and regular check-ins with EDs to address needs in the current environment. – Goal 5
- OBJECTIVE 6: Revisit Outcome Measures and explore opportunities for more meaningful deliverables. – Goal 5
- OBJECTIVE 7: Bring further awareness of the local mental health authority to legislators utilizing our statewide association efforts and local relationships. – Goal 6
